

DEANNA FLIES

1)
Spinning my head in circles
Throwin me round and round
Don't know which way not to turn
Don't know if I'll ever see the ground

2)
Spinning
Whirling
Twirling
Eagles Soaring
Horses Raging
Kamikaze Diving
Rolling
Driving
Surfin (Rolling like a serpent)
Daring the Devil at every turn
Daring the Devil at every turn
Becomes a complicated puzzle
And I put it all together

3)
In my head
She's in my head
She's right in my head
Right in the center of my head

She is me
And I am her
All distinctions come to blur
Finding out its still my first time
Finding out its just my first time
Only my first time
To really know, to really know...

4)
DeAnna flies high above the
plains
Far above the skies
Far above all angels
So high above all heavens

DeAnna curves wider than the
sea
Far wider than all oceans
Farther than anyone can see

DeAnna swings low under the
waters
So low beneath all hells
Way deeper than all demons
Way deeper than the devil
Way deeper than any Man can ever
hide

5)
But she's in my head
She's in my head
She's right in my head
Right in the center of my head

She is me
And I am her
All distinctions come to blur
Finding out its still my first time
Finding out its just my first time
Only my first time
To really know, to really
know...
Love
Rising in Love

And I'll never be the same...
Don't know if I'll ever see the
ground...
Again, again, again...
